FOREWORD

National Council is happy to present the National Directory of Phi Upsilon Omicron for the years 1909-1963. It represents weeks and even several months of time and effort on the part of alumnae and active chapter members in making as correct and complete a compilation of names and addresses as possible.

That every chapter now has an alphabetized listing of its own members is one of the most important results of this recent professional-work project. Furthermore, it has reminded many members that their change of name or address had not been made known to the Executive Secretary, Mrs. Genevieve Forthun, Box 2256, State University Station, Fargo, N. Dak., who is in charge of the address list for THE CANDLE. All subscribers to our twice-a-year magazine will receive a copy of this Directory, which takes the place of the Spring, 1963, CANDLE.

It is noted with great regret that far too many names are listed without addresses. It is primarily the responsibility of every individual member to inform her chapter and the National Executive Secretary of any change of name or address, and of the chapter to add to the chapter roster the names and addresses after each initiation, and to make necessary changes. (See last page.)
